EXPLORE

□ Project co-funded by the **European programme Erasmus+**, strategic partnerships.

□ European tutoring process based on **skills development of junior professionals in psychiatry and mental health**, reinforced by an education and work curriculum, led and certified by Haute Ecole de la Province de Namur.

GOALS

- **Formalise** the position of tutors so that they become trainers.
- **Perpetuate** the training, the professionalisation and the management of junior employees in psychiatry and mental health area.
- **Raise** employees' skill level and develop a network of good practices.

TOOLS

- **Trainings** through a socio-constructive approach and the use of specific tools.
- **Compliance with an emancipating process** in order to initiate trainees' **learning and empowerment** through a mentoring partnership.
- Formal and informal **skills handover**.
- **Development of the opening and the attractiveness** in working in mental health area.
